Welcome to Young Climbers

We are very excited that you are interested in our Out of School Childcare Program.

This package contains information to help your child transition smoothly from home to school. The information we need in these forms is for your child's protection and to ensure that everyone is on the same page. This handbook has valuable information that explains our program and our policies which will give insight into what Young Climbers has to offer.

Young Climbers is a play-based childcare centre. We will provide many exciting activities and fun experiences for each child to learn, grow and reach their full potential. We will provide a wide variety of activities as well as many play opportunities to enhance your child's development. We believe that outside play experiences are rewarding to each child and we will have many opportunities to be outside. We will also have a homework time if needed, but we expect each parent to look over homework to make sure all is done.

Our goal is to build a community in Young Climbers Out of School Care Program and to build friendships that will last a lifetime. If you have any further questions, please do not hesitate to call, as we would love to support and help you in your decision. We understand that your child is precious and is very important to you, as they are to us. We want to make your child's school experience to be the best!

Sincerely,

Mrs. Nancy
